razor is now only a curiosity, an emblem of a barbarous practice which no caprice They were Made Through Commis of custom or tyrany of fashion shall ever sioner Pleasonton.

I will wear those new boots this morning, I have put off putting them on from day to day, but the painful step must be taken at last.

I hope my first wile's courrien brother will not true up to dispatch says:

A Herald's Raleigh, North Carolina, dispatch says: Schurz left St. Louis last night, on his way to fulfill his speaking engagements in North Carolina. The volume of the property of the pr I hope my first wife's caurien brother will not turn up to-day. He invariably solicits a loan, and has a knack of making made to him by General Pleasonton, when he was Commissioner of Internal Revenue his appearance when we have some rather choice people here, and I know the Globy Smiths are expected to luncheon. Schurz met Pleasonton in New York and when the overture was made Schurz at once declared he would considcr it, but when he got back to Missouri, he wrote to Pleasonton, to which Pleasonton made answer in a letter which Schurz now has. He will make it public in North Carolina. I wonder whether the Emeralda Mariquita Silver Mine Shares will be quoted in this morning's paper at a still further depreciation in value?

GEN. PLEASONTON CONFIRMS SCHURZ'S

Schurz now has. Journal of the such a simpleton as to marry that pompous Major Mac Ogle. She must be forty-four if she's a day. How useful her money would have been to the girls!

The has interesting the street between the letter quoted in STATEMENT. Carl Schurz in a letter to the Tribune says the letter quoted in his St. Louis speech concerning patronage in connection with the San Domingo business, was addressed to him by Gen. Alfred Pleasanton, late Commissioner Internal Revenue. "It was written," says Schurz, "in reply to a note from me, the contents of which I over street—with Gumshon, my dentist.
What a relief! This is not the day
when my wife's eldest unmarried sister
wrote to say she should come up from have a memorandum, which reads as

"Ask Pleasonton whether he remembers a conversation he had with me concern-ing San Domingo, in which he said that if I would support the President I should have all the patronage I wanted; and ask him whether he was apprized by the President to do so. Gen. Pleasonton's letter in reply is quoted in my speech. I have since received from Gen. Pleasonton the following note; NEW YORK, July 25, 1872.

Who frow dat brick?—In view of the demoralization of Hon. J. J. Davis, M. C. from this district, a writer in the "DEAR GENERAL:—Of course I have no objection to giving my name to the public in explanation of the facts, I would say that, being a friend of the News of our town is auxious by looking for will fit. He finds him out without diffi-culty, in Mr. J. H. Good o. Wheeling, will fit. He finds him out without difficulty, in Mr. J. If Good o Wheeling,
who some of our readers will recollect as
having spoken several pieces in the court
house here, in former political times.
They will probably recognize him by the
following description:
"He is known throughout the whole
Panhandle as the ablest and most active
young man in the party. None has done

would say that, being a friend of the
tresident as well as of yourself, I desired
you should be on good terms, and you
should understand that there was no personal feeling in the way of relations mutually satisfactory. Your statement is
operfect that the President wanted your
support for his San Domingo scheme,
and that you could have shared the patronspec of the Government for giving that was

are of the Government for giving that was young man in the party. None has done more effective service for the last five years in the county for the party, and none has done it more cheerfully than he. He bolts no nomination, but on the conage of the Government for giving that was the distinct impression of the President's communication made upon my mind and communicated it to you at the time. It the President positively denies having had any such communication, I regret it. I may console myself with the reflection trary he stands up squarely to every policy, every principle and every nomina-tion put forward by Democratic conventhat this is the first time that any state-ment of mine has been questioned, while the President has had occasion before this tions, State and National. He works and tions, State and National. He works and votes for the party, not because it may favor or advance certain men, but does it because it springs from a sense of duty. No one that knows him as a lawyer and stumper, will for a moment entertain any to distrust the accuracy of his recollections.

'Truly Yours 'A PLEASANTON.'"

Cincinnati Races. CINCINNATI, July 26 .- Over five thous-Mr. Good wrote that himself, for the simple reason that there is no other man in the district but him that is cognizant of all the facts here stated.—Wallsburg Herand people attended the trotting races at Exposition Park this afternoon. No pools were sold and but few side bets were Expos were sold and but few side bets were made and those on time. The weather was fair and hot. The race between Goldsmith Maid and Lucy, mile heats, best three in five, won by the Maid in three straight heats—time 2:19, 2:17‡, 2:21. In the first two heats Lucy was not above half a second behind Godsmith Maid. The track was a little heavy, had it been stitution is important, insomuch as the present Copstitution is much better than the proposed substitute, and as to adopt the substitute will make necessary a large

the proposed substitute, and as to adopt the substitute will make necessary a large amount of money which the State is in no condition to afford; to vote against Johnson M. Camden for Governor is not so important, because Jacob has particular claims for support or that there is any lar claims for support or that there is any lar claims for support or that there is any lar claims for support or that there is any lar claims for support or that there is any lar claims for support or that there is any lar claims for support or that there is any large for support or the support of the support or the support or that there is any large for support or that there is any large for support or the support or the support of the support of the support of the support or the support of the s

lar claims for support, or that there is any particular objection to Camden, as it is to assert the principle that no officer should be prejudiced before the people by reason of faithfulness to his public duties. breaking on the home stretch.

The storm last night was comparative. should be prejudiced before the people by reason of faithfulness to his public duties. Because J. J. Jacob adhered strictly to what he considered his duty as an official, rather than to what partisans considered his duty as a partisan than considered his duty as a partisan than the considered his duty as an official, rather than to what partisans considered his duty as an official and the considered his duty as a considered his his duty as a partisan, they sought to condemn him. He is now on his appeal to the people.

to the people. Will they sustain him, or will they sustain him, or will they sustain the Henry S. Walker Ring?—Wellsburg Herald. JA WIPE MURDER Sr. Louis, July 26.—Between twelve William P. Willey, son of ex-Senator street, and his wife refused him admit-tance. He then went to the back door and forced it open and stabbed his wife twice in the left breast with a dirk, inover the county. Mr. Willey, it will be remembered, is one of the two West Virflicting wounds from which she died in about an hour. It appears that the parties lived unhappily, Mrs. Hobre being dis-posed to tollow a fast life, and it is alleg-ed to have kept an assignation house durginia delegates who voted against Gree-ley's nomination in the Baltimore Con-

vention, and he don't propose to commit political suicide, as his party is now do-ing.—Morgantown Post. ing her husband's absence from the city Hober escaped. Sr. Louis, July 28.—Anthon Hobre who killed his wife last night, was arrest-A Pertenent Inquiry. ed and is now in jail. He confesses his Can any of the Democrats explain how it was that "H. V. R." the Charleston correspondent of the Cincinnati Commer-

onstration of yesterday in respect to the death of Juarez is continued. The flags are at half mast, the stores are closed and the buildings draped in mourning. At 5 o'clock this evening the civil and military authorities, and a large concourse of people of all classes assembled in the plaza, where an oration was delivered over the late President. Telegrams from Camargo, Monterey, Saltillo and other in-terior cities report similar ceremonies being observed in those places, which in-dicates that the death of the President is regarded throughout the Republic as a great loss to the country.

Detroit and Indianapolis-Railroad

Excursion.
INDIANAPOLIS, July 28.—The Detroit Board of Trade and a number of the leading officials and prominent citizens of that city arrived in this city late last night on a proposition, the solutions of the control of the contr in excursion, the celebration of the open ng of the Detroit & Eel River railroad They were entertained to-day by the Board of Trade, and will return to-morrow. The new road, in connection with the Indianapolis, Peru & Chicago rail-road, forms a direct line to Detroit. Passenger and freight trains will be run hereafter between the two cities.

Heavy Rains in the Northwest. CHICAGO, Ills., 26.—Heavy rains have revailed throughout the entire northwest for the greater part of the past two days and telegraph advices from various points indicate some damage to wheat and oats by being blown down and lodged on the ground. Corn in many localities is also prostrated but will suffer no damage. Wheat crops are already cut. Altogether the damage to the crops is not likely to prove serious. NEW YORK CITY.

New York, 26.—A man named Jerry, with an accomplice named Brown, yester day, extorted \$250 from a poor woman. Jerry represented himself as a custom house officer and wanted that amount to condone for the offence of her husband of alleged smuggling. They were arrested. Gov. McCook of California told a reporter here yesterday, that the feeling in his section of the country was all for Grant.

verge and become rivers or say streams of twenty, torty or eighty yards that never dry up—all flow toward the centre of an immense valley, which I believe to be the valley of the Nile. In this trough we have at first three large rivers, then all unite in one enormous lacustrine river, a central line of drainage, which I name Webb's Lualaba. In this great valley there are five great lakes; the one near the upper end is called Lake Bemba, or more properly Bargnala, but it is not a source of the Nile, for no large river begins in a lake. It is supplied by a river called Chambezi, and several others, which may be considered sources, and out of it flows the larger river Luapula which enters Lake Moera and comes out as the PASSENGER TRAINS WILL BE
